Raising Resilient Children

*** Full Handout included with this letter!

1. Be empathetic.
2. Communicate effectively and listen actively.
3. Break free of negative scripts.
4. Love your children in ways that help them to feel special and appreciated.
5. Accept your children for who they are.
6. Help your children find their islands of competence.
7. Help your children to recognize that we all learn from mistakes.
8. Provide children with opportunities to contribute.
9. Teach your children to solve problems and make decisions.
10. Discipline your children in a manner that promotes self-discipline and self-worth.
